 - Name listed on marketing materials
-

\$1,000 – Placemaker

- Name listed in *Design Richmond* acknowledgements

Storefront Project Sponsorship

Design Richmond

An interactive guide to exploring and shaping our city

Design Richmond is an interactive guide and activity book that will empower residents, specifically youth ages 13-18, to become active participants in the design of their communities. The success of similar guidebooks in Baltimore (*My Baltimore Book*) and Chicago (*No Small Plans*) were the inspiration for *Design Richmond*.

Storefront kicked off the development of *Design Richmond* in fall 2022 in collaboration with urban planning and design professionals, consultants, nonprofit partners, and our City Builders program participants. Together they will develop an interactive guide that supports the city's new master plan, *Richmond 300*, and connect residents to the resources they need to arrive at real life solutions for Richmond's built environment.

Your sponsorship will support staffing, administration, consultant fees, and printing the interactive guidebook that is planned to launch in 2024. #DesignRichmond

*Interested in a customized sponsorship for Storefront's Project Sponsorship? Contact us at hello@storefrontrichmond.org for more info.
